# MATCH | MEET | LEARN | SOCIALIZE

Senior Lifestyle Design Match offers a unique, intimate space to connect with interior designers, architects, purchasing agents, and owners/developers actively working on projects spanning various senior living environments—from 55+ communities and independent living to assisted living, skilled nursing, and memory care.

As an SLDM participant, you are guaranteed 20 one-to-one meetings with senior living design professionals who have sourcing needs and want to learn more about your company's product offerings. It's a perfect opportunity for building relationships in a relaxed, casual environment.

- With our invitation-only approach, you receive **direct access to delegates with active project pipelines**, unparalleled in the industry.
- We provide an intimate setting for **enhanced education** addressing design and development trends, allowing you the chance to learn about issues delegates care about the most.
- Our format allows you ample time to **network casually with the delegates**, through group activities, assigned-seating events, and industry forum discussions.
